

## FOURTH INTERNATIONAL STIGMA CONFERENCE 2009

### Together Against Stigma

You are cordially invited to participate in the Fourth International Stigma Conference to be held in London, UK on 21st - 23rd January 2009 organised by the Institute of Psychiatry, King's College London and the WPA Scientific Section on Stigma and Mental Illness.

This international conference will bring together the outstanding global research leaders in stigma and discrimination in mental health. The meeting will focus on the state-of-the-art knowledge on effective interventions to reduce stigma and discrimination. The presentations will be of vital interest to all those active in working together against stigma.
